## **Fees**

### **Background**

Consistent with the Letter of Intent provided with AS 41.23.180-230<sup>2</sup>, DNR has evaluated the institution of a fee program to pay for facilities and management of the PUA. DNR recommends that a fee schedule be implemented. It is intended that the fees collected under this program will be used for management of the PUA and the maintenance of its facilities.

### **Goal**

- Provide funding necessary for the development and maintenance of facilities, and the management of the PUA.

### **Management Guidelines**

- A fee schedule should not be implemented for use of a facility until such facilities are developed.

<sup>2</sup> The Letter of Intent states: It is the intent of the 24<sup>th</sup> Alaska State Legislature that the Department of Natural Resources evaluate instituting user fees to pay the long term costs for management and necessary facilities associated with the public use of the Knik Public Use Area established under House Bill 307. The department should consider such fees as a component of the Management Plan that will be prepared under AS 41.23.190.
