The Department of Natural Resources (DNR) has initiated the process of developing the North Slope Management Plan and will be holding public scoping meetings at the dates, times and locations listed above. The planning team intends to engage additional communities within the plan boundary during the scoping period. As part of this phase in the process, written comments are being accepted until July 31st. Additional information on the NSMP planning process, including updates to the meeting schedule, can be found at: <http://dnr.alaska.gov/mlw/planning/mgtplans/nsmp/>. Through this website you can download materials related to the planning process and submit comments online. Comments can also be mailed, emailed or faxed to the address listed below.
