Alaska State Parks Strategic Plan Questionnaire

The Department of Natural Resources is in the process of developing a strategic plan that will provide guidance for future policy and management decisions to improve the operation and management of the State Parks System. As part of this effort, the Department is seeking input from park users and would like you to respond to the questions below. Feel free to attach additional pages as needed for your responses. Questionnaires may be submitted until August 1, 2006 to the address at the end of this questionnaire. For more information on this planning process or to complete this questionnaire online, please visit: www.dnr.state.ak.us/parks/plans/strategicplan.htm
